Tutorial by Maria Banovacki

Hello and Thank you for choosing SFI!

I have decided to make this small tutorial which will help you with your first steps in SFI and to start earning faster.

When you join SFI you should complete your SFI profile and this is called FAST TRACK. For completing Fast Track (it means - you need to collect 500 versa points) in the first 24 hours after you join SFI, you will get 200 VPs extra from SFI as a welcome gift.

FAST TRACK

Here are the "stolen" pictures from the YouTube as I can't approach my Fast Track tasks anymore as they are finished.

Just follow the instructions written on the pictures and you will do fine.

IMPORTANT!

1. For points displaying an asterisk (*), you must click the green "V" in the top right corner of the page to be awarded the points. Points for these actions can be received once only.
2. With the exception of permanent, one-time action points, all points expire 180 days from the date they're awarded (points that expire **shown in red**). [Why do VersaPoints expire?](#)
3. Do NOT gather points for articles and training without actually reading them. Doing so will only cheat yourself of vital information you need to succeed!
4. Points listed in the Team Leadership & Support section are carefully monitored for fraud. Violations will result in forfeiture of commissions/affiliateship termination.
5. To receive points for actions in the Team Leadership & Support section, you must be an [EA2](#) or above.
6. A min. 1,500 VP/max. 2,000 VP from sales/purchases each month can be used towards Team Leader qualification.

DAILY TASKS

It is necessary for you to understand the importance of doing the daily tasks. For doing the Daily tasks, you get 11 action VPs daily. For the month which have 30 days, by doing daily tasks regularly you will get 330 VPs.

When you log in your SFI account (website www.sfimg.com) with your SFI ID and password you will enter your SFI Home Page.

You have noticed those RED TABS. You need to visit each tab and do a specific task for that tab to gain 1VP.

To-do-list

On this page you see what points you have earned during the month and which tasks you can do to gain some VP points. VP points represent our shares in SFI business, more VPs we have, bigger we earn.

On the To-do-list tab, scroll down and click on this blue button to confirm you visited this tab and read it.

Tips, Tripleclicks, Scoreboard, Movers, A2A, Growth tabs are done the same way as To-do-list tab. Visit them, read them and click on the blue button.

Stream tab is a bit different. By visiting Stream tab every day and clicking on the blue button you get 1VP daily.

But here you have this box where you can share something valuable with your team. Some motivation quote, congratulation for some of your team member, important information. By sharing something with your team 3x a week you get 3 x 1 VP extra (3 VPs weekly – it represent your weekly task).

When you write something, click submit, then scroll to the bottom of the page and click on the blue button.

Movers tab and Scoreboard tab are important to you – on the Movers tab you see your working affiliates and how many VPs they gained that month. Scoreboard tab give you the information about your rank and how much did you earn during the month.

Goals tab

In the goals tab you need to insert your goals which you want to reach that month, and doing this until the 5th of the month you get 5 VPs (that is your monthly task).

Honestly, you don't need to invest too much time with SFI.

As soon as the affiliates finished their Getting-Started Actions, Launchpad, Intermediate Actions, actually they just need 30/40 minutes to spend with SFI to compete Daily Actions, Monthly Actions, and Weekly Actions. To me actually it is not really call an investment but to be more a willingness to work with your pages.

if you have time, read the posts, if not, only click
YES or NO

When you finish with 10 votes, you will get a new window which asks you if you wish to continue voting.
